

# Franklin Band Camp Audition

Percussion

1 - Snare

1 - Mallets

Students hoping to be placed into Cadet Band (intermediate level group for students with 1-2 years experience) only need to play the two exercises above. Make sure to demonstrate good fulcrum/hand position, tempo, and appropriate sticking.

Students hoping to be placed into Concert Band or Symphonic Band (advanced level groups geared towards middle school aged students with 2 or more years experience) need to prepare as much of the page as you can and should be ready to sight read additional music. You might also be asked to play rudiments or scales, all while demonstrating good technique, sticking, etc.
